

USER GUIDE

Library Management system, St. Anthony's College Kandy

Welcome to the user guide for our automated library management system! Our system has two types of logins. **admin login** and **member login**. The admin login is used by library staff to manage the system, while the member login is used by library users to access the library's resources.

Both users can access Dashboard.

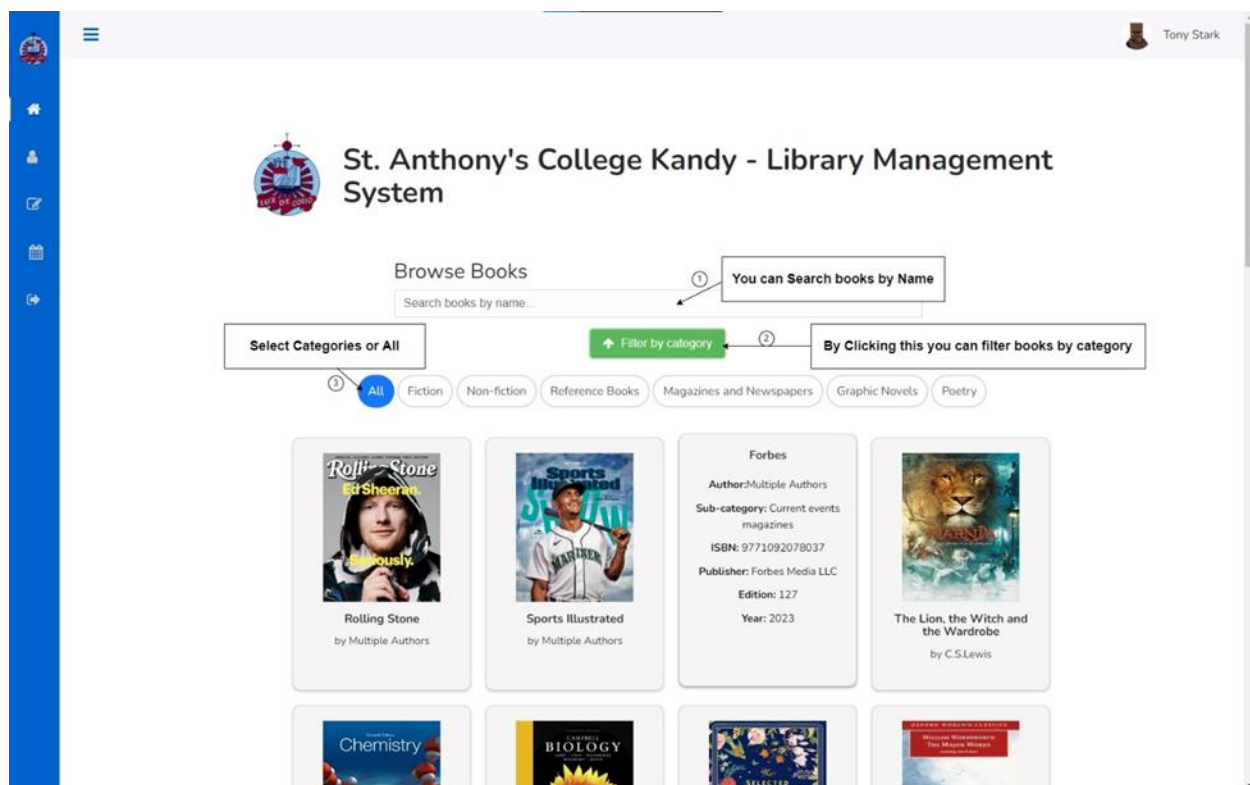

FIGURE 1 DASHBOARD - USER GUIDE

Both users access same login page. To access the admin login, go to the login page and enter your admin ID and password. To access the member login, go to the login page and enter your ID and password.

The screenshot displays a web application interface with a blue sidebar on the left containing a logo and navigation icons. The top header is light purple, featuring a hamburger menu icon and a 'Guest' user profile. The main content area contains two login panels. The 'Member Login' panel is white and includes a 'Your ID *' field (labeled 1), a 'Your Password *' field (labeled 2), and a blue 'Login' button (labeled 3). A callout box above the ID field says 'Enter Your ID', and another above the password field says 'Enter Your Password'. A bottom callout box states: 'After Adding the YourID and Password by clicking this button you can login'. The 'Admin Login' panel is blue and follows the same layout but with 'Your Admin ID' in the first callout box.
